

# Human Genetic Engineering: News Article Assignment

*Due: 3/17*

Find two recent articles on the issue of human genetic engineering. If you search on Google, after entering your search, click the “News” tab at the top to get recent news results on the topic.

Read the articles, and then write at least three paragraphs on the following:

1. Summarize the contents of each article.
2. How do the authors of the two articles view this issue similarly? How do they view this issue differently? Compare and contrast the perspectives presented in each of the two articles.
3. What is your opinion on human genetic engineering? Should we pursue this technology, or not? Why? Do you think it will have a mostly positive or mostly negative effect on human society? Explain.
