

Mr. T's Classroom Rules

1. Come to class on time. If there is a "quickwrite" assignment on the projector, begin working on it.
2. Show respect to your classmates and to the teacher. During class time, please do not speak out of turn. Respect the ideas of others, and do not interrupt the teacher or your classmates.
3. Please remain in your assigned seat unless you have permission to get up. If you need to use the restroom, let me know.
4. Turn in homework on time. Points will be deducted for late work. Write your full name and the class date on all assignments.
5. Don't take your cell phone out in class. If you are seen texting or playing on your cell phone in class, your phone will be taken away and sent to a distant planet where alien beings will throw it into a volcano o.O
6. Do not cheat or plagiarize. Students caught cheating will receive a zero on the assignment. Both the student who shares his/her work and the student who copies it will receive a zero. Study for tests, complete your own work, and you won't have a problem. It is always obvious when information has been copied and pasted from the internet so, for your own good, don't do it.
7. If you have any questions, comments, concerns, or anything else you need to talk about with me, please let me know. I am here to help you succeed in my class and at TLC.

LET'S HAVE A GREAT YEAR TOGETHER!
