

3. **Discuss with a partner, then answer:** There are numerous forces, both internal and external, acting on Kino, his family, and his village. For each character below, consider the forces that are acting on him/her. Basically, what motivates these characters to act and think as they do?

Kino:

Juana:

The Doctor:

4. **Write:** What are some forces acting on you in your life? These can be external things that motivate or pressure you to act and think in certain ways, or, they can be internal motivations, hopes, dreams, fears, etc. *Write at least 5 sentences.*
